May 12, 2004

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, CA 90012

Dear Supervisors:

AUTHORIZE THE PURCHASING AGENT TO COMPLETE AND EXECUTE ALL NECESSARY DOCUMENTS RELATIVE TO ACQUISITION OF 500-HOUR INSPECTION AND SERVICE FOR THE SIKORSKY S-70 FIREHAWK HELICOPTER

IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT:

1. Authorize the County Purchasing Agent to complete and execute all necessary purchasing documents relative to the acquisition of 500-hour inspection and service for the Sikorsky S-70 Firehawk Helicopter not to exceed \$150,000.

PURPOSE OF RECOMMENDED ACTION:

The purpose of this recommended action is to authorize issuance of a purchase order to provide 500-hour inspection and service of the Sikorsky S-70 Firehawk Helicopter, Serial Number 702453, as required by our "Total Assurance Program" maintenance agreement with Sikorsky Aircraft Corporation. Labor and expenses for 500-hour inspection to be performed at Barton Heliport shall include six technicians and one Quality Assurance Representative.

The Honorable Board of Supervisors May 12, 2004 Page 2

JUSTIFICATION:

Due to the large number of wildland fires that occurred in October 2003 and the extensive utilization of the Firehawk helicopters, the maintenance inspections will be required sooner than normal. The increased fire activity created an unusually heavy backlog for our helicopter maintenance staff and consequently, they are unable to perform this inspection.

In order to have the helicopter available at the earliest possible time, we are requesting Sikorsky to provide the necessary personnel to perform the inspection at our Barton Heliport facility.

Sikorsky is the original equipment manufacturer. The 500-hour inspection is a mandated component of the helicopter maintenance regime as established by the manufacturer.

FISCAL IMPACT/FINANCING:

The estimated cost of the 500-hour inspection and service will not exceed \$150,000 and the Department's 2003-04 Adopted Budget has adequate funding for this service. Sufficient appropriation is budgeted under Services and Supplies in the Special Operations Budget Unit. There is no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The County Purchasing Agent has a statutory limitation of \$100,000 for Sundry Services; therefore, your Board's approval is necessary to accomplish this critical maintenance requirement.

CONTRACTING PROCESS:

The Department is in the process of developing a formal contract proposal with Sikorsky Aircraft Corporation for future 500-hour maintenance inspections. This contract will be finalized by January 2005.

<u>IMPACT ON CURRENT SERVICES (OR PROJECTS):</u>

Approval of the recommended actions will enable the Department to continue our efforts of emergency services to residents of Los Angeles County.
